

## Centre for Community Meditation

Community mediation is a process for preventing and mediating conflicts in communities and between neighbours.

The goal of our work is to improve peaceful co-habitation and help create an atmosphere of security and comfort. We do this by helping create or restore relations between neighbours.

The service is free of charge in the following areas.

Wondering about  
cultural differences?

Experiencing  
or witnessing  
problems between  
neighbours?

Feeling  
insecure  
at home?

Bothering  
things in the  
neighbourhood?

Need advice  
in conflict  
resolution?

IF YOU ANSWER NO TO EACH QUESTION,  
THE OTHER SIDE IS NOT CONCERNING YOU.
